This UK supplied 1970 registered Mercedes 280SL/8 is one of the finest examples on offer in the UK market today.

Subject to a full catalogued restoration only a few years ago by John Haynes the vehicle presents in flawless condition throughout.

Finished in 180G Silver Metallic with two tone period correct O40 Black hard top and hub caps with full Black Leather trim and Black soft top.

A right hand drive and automatic example, the vehicle boasts an extremely comprehensive history file with invoices and MoT's dating as far back as 1973.

The entire restoration process is perfectly captured in detailed photograph albums which brings the history of this stunning Pagoda right up to date.

With restoration costs increasing year on year this 280SL/8 now represents exceptional value and is of course immediately prepared and ready to go!

We believe this is without question the finest restored Pagoda at this price point currently available anywhere in the UK.
